## ABOUT OLFU

Starting as a humble 25-bed hospital in 1967 in the City of Valenzuela, OLFU has evolved to become the esteemed, progressive institution that it is now – a recipient of the Philippine Quality Award; its CHEd-granted Autonomous University Status, and ISO 9001:2015 certification.

The University has also gained renown as the “Home of the Topnotchers” owing to its wealth of “top performing school” and topnotcher achievements in licensure examinations, year-on-year.

**Study at OLFU  
from wherever  
you are in the  
globe!**

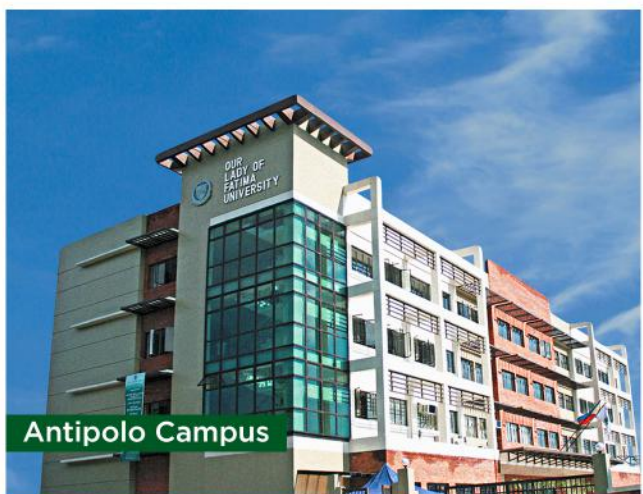

**Online to Face-to-Face...  
FLEX or the Fatima Learning Experience  
has got you covered!**

Our Lady of Fatima University's visionary leadership has led it to seamlessly transition to an enriching Fatima Learning Experience (FLEX) modality; masterfully blending various learning modalities: online-offline, synchronous-asynchronous, modular, and even limited on-campus learning. All these came into fruition through pro-active learning, acquisition of world-class learning platforms and resources, faculty training, agile recalibration of its curricula, investment in retrofitting the facilities, and the creation of online student services.

With six campuses currently present in the Philippines, Our Lady of Fatima University is backed by its strengths in manpower, technology, processes, and facilities to be always in tune with the needs of the times.
